Dear Friends of the Guidant John Rose Minnesota OVAL:

We are cautiously optimistic about our chances to be included in capital investment bonding bill this year, but we need to continue letting our elected officials know how important this is to you and to the state. We are asking all of our supporters to contact Governor Pawlenty and members of the House and Senate Capital Investment Committees. For your convenience, we've provided phone numbers, email and mail addresses. Please review the list, and if you live in any of these legislators' districts, please call or write today.

Your message should be short. Identify yourself by first and last name, and let the legislator know you live in his/her district (or neighboring district). Tell them you are asking for their support to include funding for the Minnesota OVAL, and thank them for listening.

If you call, you won't likely get to speak with your legislator, but you can be sure staff will see that they get the message. Leave your phone number in case the legislator wants to call you back.
